No.F.1(14)-TGP/Digitization & e-Gazette/2021/353 Dated, Agartala the 12th March, 2026

NOTIFICATION

The State Government is implementing the Compliance Reduction and Deregulation Initiative – Phase-II in alignment with the national reform agenda of the Cabinet Secretariat, Government of India, with the objective of improving the regulatory environment, reducing compliance burden and enhancing ease of doing business in the State.

2. It has been observed that several State Acts, Rules, Regulations, Government Orders (G.O.s), Notifications, Circulars and other regulatory instruments are presently dispersed across multiple departments and agencies, and in many cases are not readily accessible through a single digital platform. Further, certain provisions in existing legislations and regulations may have become outdated, redundant or inconsistent with present-day regulatory practices.

3. In order to ensure transparency, improve regulatory clarity and facilitate ease of access to the applicable legal and regulatory framework for businesses, citizens and government authorities, the State Government has decided to create a Centralized Digital Repository of all State Acts, Rules, Regulations, Government Orders, Notifications, Circulars, Policies and other relevant official documents.

4. The said repository shall serve as a single authoritative and updated digital platform containing all regulatory instruments issued by the Government of Tripura and its departments, including amendments, repeals and updated versions thereof. The repository shall be organized in a structured manner based on sector, department and date of last update in the e-Gazette portal under the URL - https://egazette.tripura.gov.in/.

5. The Department of GA (Printing & Stationery) shall act as the Nodal Department for coordination of this initiative. All Departments of the Government of Tripura, including autonomous bodies, regulatory authorities and agencies under the State Government, shall extend necessary cooperation and shall upload information/documents in the portal.

This notification shall come into force with immediate effect.
